

BROADWAY GOLF CLUB

The project involves alterations and extensions to the existing clubhouse. The proposal includes: Enlargement of male changing rooms, Addition of first floor spike bar, Introduction of ramped access to first floor for members and occasional disabled access, Extension and subdivision of restaurant, New terrace overlooking 16th Green, Buggy store below, Separate kitchen access and new windows overlooking the 18th and 19th Greens. The extensions are constructed of natural Cotswold Stone with plain clay tiles. The design reflects and is complementary to the architecture of the existing building.
