

## HOLY TRINITY CHURCH, STRATFORD UPON AVON

Repair works have been completed to the Chancel Parapet. This has involved replacement stonework using Woodkirk stone. Replacement stone blind tracery, grotesques, a cross to the East end of the Church, and pinnacles have been carved by specialist stone masons. During the construction work areas of death watch beetle, dry rot and wet rot have been uncovered to the existing timbers which have needed cutting out and replacing.
